Comments & Suggestions

Pilate classes are up and running every Wednesday 4 -5pm.

ML – commented that the pilate classes is a good way to get fitter

and one of the best things that has happened here.

AR – suggested to let the health trainer know so she can motivate

and make patients aware that we are holding pilate classes.

KL – will do a notice board to put up in the waiting area so patients can be aware of the pilate classes.

ML – suggested patients to pay in advance for the whole month.

KL suggested making use of the backyard of the surgery for patients to grow fruit & vegetables. To use as an allotment once

the backyard has been cleared up.

ML – suggested advertising and seeing how many people will be

interested.

SU – commented to clear up the backyard first so when patients

come to see the backyard it is appealing to them.

AR - suggested if the backyard can be presentable by the healthy

food day so patients can see whilst they are here.

Healthy food day will be taking place on 1/6/13 between 12pm –

2pm

NC will demonstrate okra & spinach on healthy food day

HK will make chick peas & potato

NR to make lentils

AS will make & demonstrate chicken curry

SU will make fish

KL will make a list of who will be attending.

A.O.B

ML would like the surgery wallpapers removed and lighting to be

changed.

SU suggested changing the colours of the door.

AS to get quotes on wallpaper removal.
